The Ardex company heritage dates back over 50 years as a global manufacturer of high performance, high quality, speciality building materials. We offer a range of Ardex products from stock that are appropriate for the tiles and mosaic we sell. Microtec X77 flexible wall and floor tiling adhesive is ideal for use in all wet areas including swimming pools and spas. Ardex FS and FL grouting compounds offer the complete solution for grouting mosaics in high demand areas such as showers, swimming pools and spas. Ardex products were the choice for the Aquatics Centre at the 2012 London Olympics and enjoy an unrivalled reputation in the industry.
